

HRB 1299 -- EXECUTIVE BRANCH REORGANIZATIONS

SPONSOR: Flanigan

This revision bill revises the Missouri statutes to reflect the various governmental reorganization executive orders that rename and transfer programs and divisions within the executive branch that have not been updated since the adoption of the Reorganization Act of 1974.

The Revisor of Statutes is authorized to make limited revisionary changes to the Missouri statutes to incorporate future executive department reorganizations as it relates to name changes and movement of sections of law.
